

## ***Intent***

Our intention is that, when pupils leave Cedar Hall School, they do so with the knowledge, understanding and emotions to be able to play an active role in today's society. We want our pupils to have high aspirations, a belief in themselves and realise that anything is possible if they put their mind to it.

What do we want for our pupils?

- Develop a confidence in sharing their own thoughts and opinions with others
- Develop skills and attributes to keep themselves healthy and safe
- Develop an attitude of a responsible global citizen
- To show tolerance of others beliefs, religions and life choices.
- To build positive, respectful relationships with other people Implementation

## ***Implementation***

How do we deliver PSHE at Cedar Hall School:

- All pupils have a weekly PSHE lesson which lasts for 45 minutes.
- Medium term planning is given to all staff which has been developed by PSHE lead in guidance with The PSHE Association to meet the needs of our pupils. Using the Pelican Files scheme.
- Visitors such as emergency services and the school nurse complement our PSHE curriculum to offer additional learning.
- Assemblies are planned to cover any additional sessions that would benefit the whole school.

## ***Impact***

We firmly believe that a meaningful PSHE curriculum is the key to pupils becoming confident, tolerant and well-rounded adults.

- Pupils can approach a range of real life situations and apply their skills and attributes to help navigate themselves through modern life.
- From exposure to a range of global issues and problems, pupils can build up tolerance and a sense of responsibility of being a global citizen.
- From engagement with a variety of Educate and Celebrate texts, pupils can understand the different lifestyles that people may live and be respectful and tolerant towards those leading different lives to themselves.
