

CEDAR HALL SCHOOL NEWSLETTER

9th October 2026

Cedar and Hawthorn have spent several weeks creating garden ornaments shaped like mushrooms. They made these from papercrete (recycled paper, cement and sand), then used coconut shells for the moulds. Here they are painting their mushrooms from their own designs.

'Notice'

On Wednesday our year 9s and 10s took part in an interschool football tournament held at our school against two other schools.

We had two teams playing - the boys were superb from start to finish and played some excellent football, they worked well individually and collectively as a team.

Both our Cedar Hall teams had to play against each other in the semi final, which was tricky for the boys to navigate but we knew we would have one team in the final.

Luckily our Cedar Hall team who got to the final beat St Christopher's 2-0 and the boys won the tournament

Great work everyone, we are proud of you all.

The Gardening Trophy

This week the Gardening Trophy was won by Nathan (9C).

Nathan won for listening really well and helping others plant garlic in a raised bed.

Well done Nathan!

Well done to Aiden for completing Level 1 on mymaths independently.

This week, during their English lesson, the year 10s have worked really hard on difficult questions relating to a text they have read on sea monsters.
